Entrepreneurship Training

Most of our clients are engaged in transportation business. In the month of June 2019, we have started a new training program - Entrepreneurship. The purpose of this training is to enable our customers evaluate the various business opportunities available and the legal as well as financial requirements to start these businesses.

This training is regularly conducted on the third Thursday of every month between 10:00AM and 1:00PM.

To register for the training, please send us your name and phone number to:
